DEPARTMENT OF BOTANY
MOUNT CARMEL COLLEGE

MOUNT CARMEL COLLEGE is an educational institution primarily for women, located in the picturesque city of Bangalore. It offers a wide range of disciplines and courses of study designed to help generations acquire knowledge and enhance skills to match the pace of the world. The Botany Department was established in 1952.

VISION

Keen in mind the vision of the college, the Botany department focuses on encouraging our students through various programs and to create opportunities for self-employment.

MISSION

To instill in our students love for nature through regular field trips and workshops.
- Creating awareness among the youth on the urgent need of conservation of medicinal plants and herbal wealth.
- To build some of their primary health care needs using locally available herbs.
- To go beyond theoretical knowledge and introducing the students to the applied aspects of the subject.

INSTITUTE OF AYURVEDA AND INTEGRATIVE MEDICINE (I-AIM)

The INSTITUTE OF AYURVEDA AND INTEGRATIVE MEDICINE (I-AIM) is an initiative of FRHIT, a regional Public Trust. The institute started its operations in 1997. It is a unique Ayurvedic hospital and research institute.

SCOPE

To bring together Academicians, Industry, Local Healers, Students and Public on a common platform for exchange and rejuvenation of traditional healing practices for the future.

OBJECTIVES:

- To impart knowledge on traditional herbal medicine
- To bring in a new perspective on how to rejuvenate traditional medicine in its true sense
- To build awareness among the youth on the urgent need of conservation of medicinal plants and herbal wealth

TARGET GROUP:

Academicians, Researchers, Scholars, Scientists, NGOs, Local Healers, Industrialists and Public.

IMPACT

Promotion of sustainable practices and effectively products in maintaining primary health.
- Focus on green wealth and herbal technology.
